- c. There shall be no negotiations on inherent managerial responsibilities including but not limited to the functions and programs of the District, the establishment of

the District's budget, the organizational structure of the schools, and the selection of personnel.

5. NEGOTIATIONS PROCEDURES

a. Negotiation Teams

The Board and the Association shall each exchange in writing, at least three (3) days before the first negotiation meeting, the names of not more than three (3) persons who shall serve as their respective representatives for negotiations pursuant to the provisions of this agreement. Each party shall also designate the person on its team who will serve as the spokesperson. Neither party shall attempt to exert influence over the other party's selection of representatives.

b. Opening Negotiations

- i. Between May 1st and May 31st of each ensuing year, either the Association or the Board shall submit a written request for negotiations to commence to the other party, if it desires there to be negotiations for that year. If no such request is made during the time period above, negotiations will not take place for the ensuing year.
- ii. The first negotiations session shall occur on a mutually agreeable date not more than thirty (30) days from the date of the written request to open negotiations.

c. Negotiation Sessions

- i. The Association and the Board shall exchange written proposals at the first negotiations meeting. Subsequent proposals may only be submitted upon mutual agreement of both parties.

Tentative agreements on any proposal shall be marked "tentative agreement" and shall be written, dated, and signed by the chairperson of each team. When final total tentative agreement is reached, the proposal agreement shall be first submitted to the Association for ratification. After ratification by a majority of the Association members, the agreement shall be presented to the Board. The agreement shall become final upon ratification by the Board.

- c. If the mediation process has been utilized and has failed to bring about agreement of all items, or if the mediation process was not utilized, the unresolved items shall be submitted to fact finding as follows:
 - i. A fact-finding committee consisting of three (3) members shall be formed. One (1) member shall be selected by the Association, and one (1) member shall be selected by the Board. The third member shall be selected by the first two (2) members as follows:
 1. The parties shall notify the State Superintendent of Public Instruction that a fact finder is needed and request a list of potential fact finders from the State Superintendent.
 2. If no name on the list is agreeable to both parties, a coin toss shall occur with the party winning the toss having the right to strike a name from the list.
 3. The parties will then continue alternately striking names from the list until only one name remains.
 4. The person whose name remains on the list will serve as the chairperson of the fact-finding committee.

- ii. The committee shall meet with the Board's and the Association's negotiation representatives for the purpose of fact-finding.
- iii. Within five (5) days after the selection of a chairperson, the representatives of the parties shall meet to exchange written language on each item of impasse. The exchanged documents shall be furnished to the chairperson and other members of the committee. Each item being submitted to fact-finding shall show the last position taken by each negotiating team.

The report shall set forth findings of fact and recommendations on the issues submitted.
- viii. If either party decides it must reject one or more of the committee's recommendations, said party must, within seven (7) days after the committee has presented its recommendations, request a meeting of the representatives who have been negotiating for the Board and the Association. The parties shall meet within seven (7) days of the request, unless both parties deem it unnecessary. At such meeting, the parties shall exchange written statements expressing each party's rationale for rejecting each recommendation found unacceptable and shall attempt to clarify any remaining differences; provided, after fourteen (14) days after the exchange of written statements, as provided for by this section, either party may discontinue such effort.
- ix. The Board shall file a copy of the fact-finding report with the office of the State Superintendent of Public Instruction. If the effort to resolve

differences is successful, the parties shall draft a written agreement and present the agreement to both parties for ratification, and upon ratification such agreement shall also be forwarded to the State Superintendent. If the effort to resolve differences is unsuccessful, the Board shall forward to the State Superintendent in writing its final disposition of the negotiation's impasse process within thirty (30) days of the effective date of implementation.

d. NO STRIKE CLAUSE

It shall be illegal and a violation of this agreement for the Association or the members of the Bargaining Unit to strike or threaten to strike as a means of resolving differences with the Board.
- ii. It shall also be a violation of this agreement for the Association or the members of the Bargaining Unit to strike for any reason during the term of a contract negotiated in accordance with the provisions of this agreement.
